

## You name it, we fly it

If you think general cargo doesn't require specialists, think again! For almost 50 years, Cargolux has fine-tuned its expertise and experience in the art of transporting traditional cargo on a fleet of dedicated freighter aircraft. Attention to detail and highly-skilled handling have made Cargolux Europe's number one supplier of air cargo services. Our airline's global network provides connections to all major manufacturing gateways.

Europe's  
**No 1**  
all-cargo airline

### Your benefits with CV classic

Our constant drive for excellence has enabled us to establish seamless processes throughout the transportation chain. Our cutting-edge benefits include:

- Dedicated, experienced and highly trained staff worldwide
- Fast and efficient operations on the ground and in the air
- Short acceptance and fast delivery times
- Goods transported in accordance with IATA regulations
- Supervision of your shipment from pick-up to delivery and proper handling at every step of the way
- Worldwide support by our ground handling agents
- Consistent quality management systems throughout the transportation process

A growing fleet of Boeing 747-400F and 8F that can accommodate **all types** of cargo

## Our Hub: The Luxair cargo center

At our Luxembourg hub, we benefit from the high-quality service offering of one of Europe's most advanced and best equipped air freight handling centers. All details were designed to make acceptance, transfer and delivery processes as smooth and efficient as possible. As a dedicated air freight platform, the distances between warehouse and tarmac are extremely short to ensure the swift movement of goods from aircraft to dedicated and secured storage premises.

- Annual capacity 1.2 million tonnes
- 85,500 m<sup>2</sup> warehouse space
- 113 truck docks and ample truck parking positions
- 35 pallet breakdown and 49 pallet build-up stations
- Fully-automated stacker system with 1,640 ULD positions
- The world's first fully GDP certified air freight platform

over **50**  
years of **dedicated**  
**expertise and experience**  
in the transport of general cargo
